ARE Y'ALL READY FOR A TOY-TASTIC SUMMER, KZERS?

Our Summer Toy Spesh is finally here and guess what? We've got all the awesome toys that'll make you want to ditch that trip to the beach and have a cool staycation playing indoors instead! Although swimming in the ocean and dancing under the sun gets Team KZ's seal of approval, there's nothing like leet action figs, new LEGO sets, and siiick fandom goodies to annihilate vacay boredom. Top-dawg tip: You can also wile away the time by participating in this month's K-LEB Eggstreme Hunt (Instructions are in the Cool Pool section).

We, the peeps of your fave kids' mag, would also like to give a hearty goodbye to two of KZ's sweetest gals: art director Ramona Gonzales and managing editor Lana Chan. Ramona has decided to hunt down the mystical creatures known as pizza cats, while Lana has been recruited to be an elite member of the Dark Side! Whutt??? But on a serious note, thank you for all the dedication you have poured into the magazine. You ladies will be missed!

So don't be a summer bummer, bros! Make sure to crank up your vacay KZ style!

MORE TOYS? NO WAY!

Yes way! If you'd rather spend the summer geeking out over some schweet toys than getting toasted on the beach, then this ish is for you, fam. Team KZ rounded up the 55 slickest toys in town for our SUMMER TOY SPESH. And we're happy to tell ya, that all 55 of them are worth ditching the ocean and the great outdoors for. #Staycation

MARVEL AVENGERS ACADEMY

Not even Black Widow, The Hulk, Iron Man, and Thor are too cool for school. Mixing combat training, extracurricular activities, and a classroom sesh (or five), this new mobile game allows players to navigate the student life of a superhero. If you want to experience college through the eyes of your fave Marvel characters, you can download the vgame app from the App Store or Google Play. Avengers, assemble!

7

THE JUNGLE BOOK

If you're a fan of the *Iron Man* movies, then this live-action retelling of the Disney animated classic is a flick you'll deffo be interested in. Jon Favreau, the same dude who directed RDJ in the first two *Iron Man* films, directs this visual treat. It tells the story of Mowgli, a kid raised by a pack of wolves, and all the animal friends and enemies he makes in the jungle. AWOOOOOOOOOO!

8

WHERE DID ALL THE GIRL ACTION FIGS GO?

The super sleuths at KZ HQ do some major digging as to why female characters from all your favorite fandoms are left out of action figure toy sets. To all the toymakers out there: not fair and not cool.

10

K-LEB (OR SHOULD WE SAY K-EGG?) EGGSTREME HUNT

Last, but deffo not the least, we've prepared a little game for all you KZers out there. In this ish, there are K-LEB Easter Eggs hidden within the pages. Try to spot them and keep count. Once you've got the answer, post a photo of yourselves on Facebook or Instagram holding up a sign with your answer. Don't forget to tag us and use the hashtag #KZeggstremehunt.

A.K.A. Great Digital Wizard is the holographic mentor of the NEXO Knights. Merlok 2.0 uses magic in order to upgrade the heroes' hi-tech rig-outs. Compared to his legendary counterpart Merlin, Merlok 2.0 is less srs biz and more of a prankster.

JESTER

During the Middle Ages, these wacky dudes were known for clowning around before the king and his court. Talk about pressure just to get some chuckles.

Kooky Court Jester

JESTRO

Unfortunately, this jester wasn't a very good clown. Nobody laughed at his jokes. Embarrassed, he turned to a life of villainy seeking revenge. (Who's laughing now, your highness?)

FAIRY TAIL ZERO

Let's rewind time and go back a century before the events in *Fairy Tail* took place, shall we? In *Fairy Tail Zero*, main gal Mavis and her pals go on all sorts of adventures as they create the famous mage guild *Fairy Tail*.

DYK? Yuri, the founding member of *Fairy Tail*, is the father of guildmaster Makarov.

PRINCE OF STRIDE: ALTERNATIVE

Just when you thought you've seen all the sports anime, here comes another one! *Prince of Stride* is about a high school team that competes in parkour-style relay races. You'll be oooh-ing and ahh-ing every time the players run, jump, and climb their way to victory! #ModernNinjas

DYK? *Prince of Stride* is based on the PS Vita dating vgame of the same name.

MY HERO ACADEMIA

Follow Izuku's adventures at Yuuei high school, the No. 1 hero high school in Japan, as he tries to become a legit superhero. Epic lunch breaks ahead!

R WATCH LIST

CATCH THIS YEAR'S ANI-MAZING NEW SHOWS.

ACE ATTORNEY

How can a show about lawyers be any fun to watch? Hold your objections, bro. *Ace Attorney* is far from boring. It's based on the eponymous hit point-and-click mystery series by Capcom, so expect lotsa laughs, groan-worthy puns, and exciting cases!

DYK? The anime adaptation and the new *Ace Attorney 6* vgame were launched at last year's Tokyo Game Show.

GIVE BLESSINGS TO THIS WONDERFUL WORLD

Kazuma must lead a group of fighters in order to slay the evil demon king who's been terrorizing the land. Too bad our hero's stuck with a bunch of weirdos: a deity who can only do party tricks, a mage who can only do magic once a day, and a crusader with epic fail targeting skills.

DYK? The series was made into a radio play.

GROUND

DON'T LET BIG, BAD BULLIES PUSH YOU AROUND! COACH MICHAEL OF ORIGINS BRAZILIAN JIU-JITSU PHILIPPINES SHOWS YOU SOME BASIC GRAPPLING TECHNIQUES YOU CAN USE TO DEFEND YOURSELF.

WHAT IS BRAZILIAN JIU-JITSU?

"Brazilian Jiu-Jitsu is the art of grappling that emphasizes the use of technique over strength. It's an effective self-defense practice that helps you overcome bigger opponents without attacking."

—Coach Michael Tiu

1. GRIP BREAK

Escape from a bully's tight grip using this epic move! Remember, the thumb is the weakest finger. While your opponent is gripping your arm, look for his thumb then twist your arm that he's grabbing toward the direction of his thumb. If he's holding your arm with two hands, grab your other fist using your free hand, then pull it away from the direction of the bully's thumb with full force. Doing so will break his grip and you're free, son!

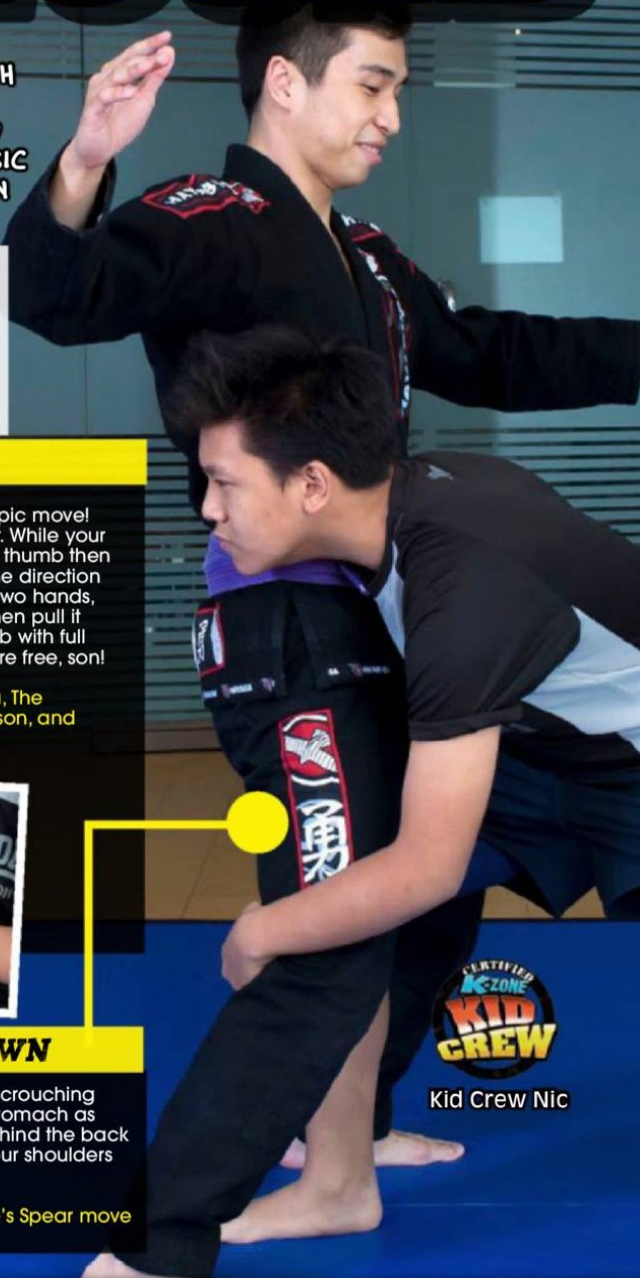

DID JIU KNOW? Chuck Norris, Dave Batista, The Undertaker, Clark Gregg A.K.A. Agent Coulson, and Justin Bieber all practice BJJ.

2. DOUBLE-LEG TAKE DOWN

Block your opponent's incoming attack by crouching and placing one of your shoulders on his stomach as you make contact. Then put your hands behind the back of his knees and push him forward using your shoulders and legs until he falls to the ground.

WHAT IT LOOKS LIKE: WWE Superstar Edge's Spear move

Kid Crew Nic

CONTROL

3. SPIDER-KID

When the bully's down for the count, quickly mount him and put all of your weight on his torso. Keep him from standing up by locking your legs around his hips and wrapping one of your arms around the back of his neck. Then put your other palm flat on the ground. If he tries to roll over to push you away, switch the positions of your arm and hand (the hand on the ground should now be behind your enemy's neck). "Now, where do you think you're going, huh?"

4. BACK TAKE A.K.A. CRAZY HORSE

Did your enemy fall on his butt? Quick, ride his back piggyback style! Put one of your arms around his neck then slip the other one under his armpit and grab your hand. Hook your legs around his hips so there's no chance in heck he'll be able to escape. Yeehaw!

WHAT IT LOOKS LIKE: Piggyback ride. Yay!

5. BACK CHO

(D CHOKE)

If the bully's still bothering you, it's time to use the final move on him, man! While he's still struggling to stand up, wrap one arm around his neck and lock that hold in place by putting your other arm behind his head and gripping his neck using your free hand. Squeeze his neck a bit but not too tight, bro! Just give him a taste of your power and wait for him to surrender.

WHAT IT LOOKS LIKE: WWE Superstar Dolph Ziggler's Sleeper Hold

DISCLAIMER:

Remember, bros! Here at KZ HQ, we don't tolerate violence. Only use these techniques to protect yourself or restrain an attacker. **DO NOT USE THESE MOVES TO BULLY OTHER KIDS.** Keep in mind that practicing BJJ is for self-defense, never for offense.

ORIGINS BJJ is located at The Rockwell Club, Amorsolo Square, 23 Amorsolo Drive, Rockwell Center, Makati City.

SAFETY FIRST

Follow these safety rules, jumpers!

- 1 Leave your bags and other belongings (mobile phones and other gadgets) inside one of the lockers.
- 2 No shoes allowed! Place them on the designated racks at the entrance.
- 3 Remove all items inside your pockets and keep them inside your locker. You don't want to lose your things while you're jumping on the trampoline, do you?
- 4 Avoid injury by always landing on both feet when you're on the trampoline or in the foam pit.
- 5 In case you're thrown off balance, immediately curl up (Read: Hug your knees) so that you safely land on your back on the trampoline.

Happy hopping!

FRIGHT FEST

SINK OR SWIM

Night swimming brings a wave of deep underwater trouble.

"Don't go into the water after dark," Mom said as she helped me unpack our stuff inside the hotel room. I ignored her warning and looked outside our room's open doors. It was

sunset, and we had a great beachfront villa to ourselves.

I promised myself that I would make the most out of this summer break. Without asking her permission, I quickly

grabbed my body board, left the room, and headed to the beach.

It was getting dark, but I ran toward the water. "It's high tide already, Joey! Don't go into the water after

I ignored her and swam further out. "You could drown!" she shouted. *Yeah right, Mom. I'm on a body board. What's the worst that could happen?* I said to myself as I continued to paddle away.

Out of nowhere I heard a woman laughing. I looked around to see if someone else was in the water. There was no one in sight.

"Joey! Where are you?" I heard my mom shouting louder. Feeling guilty, I decided to swim back to shore. Darkness had already enveloped the beach, making it difficult for me to see clearly. "I'm here, Joey. I told you don't go into the water after dark." Before I could make it to the shore, I turned around and was shocked to see someone swimming toward me.

I stared at her, looking speechless. This was impossible; my mom doesn't know how to swim. Then the strange woman started screaming at me. "I swam all the way here just to find you! I told you don't go into the water after dark! We're going home!" she yelled as she yanked me off the body board. I fell into the water with a big splash.

Suddenly, we were both underwater. She held my arm tightly and started swimming down into the deep. I started to panic.

Air bubbles escaped from my mouth as I tried to scream and break away from her scaly grip.

I looked at her hand and saw her skin turn green and flaky. When I saw her face, I completely froze. She didn't look anything like my mom. Her eyelids disappeared and her long, wavy hair turned pitch black.

When she saw me staring, her face contorted into a grotesque expression. She had eyeless sockets, sharp teeth, and a long fork tongue.

I heard a shrieking voice inside my head, "You should've listened to your mom when she told you not to go into the water after dark." She was speaking to me. Her voice sounded like a dozen people were talking at the same time.

I tried to free myself from her grasp but she was so strong. I looked around hoping I could grab onto a coral, something, anything! A school of fish swam past me. That was when I realized I was in deep trouble. Running out of air, I made a final attempt to escape. But it was too late. I felt my ears pop because of the pressure of the water. *Why did I go into the water after dark?*

dark!" Mom yelled from the shore. Despite its calm waters, the beach had a notorious reputation for mysterious drownings. Kids have disappeared.

DEFENSE AGAINST THE PRANK ARTS

ON APRIL FOOL'S DAY, WE HIGHLY RECOMMEND YOU PACK THESE ANTI-PRANK ESSENTIALS IN YOUR BAG AND WEAR PROTECTIVE GEAR. YA NEVER KNOW WHEN DEM PRANKSTERS WILL STRIKE!

1. GLOVES WITH RUBBER PADDING

Wear a pair of work or garden gloves, so you won't feel a thing when someone pranks you with toys that use electric shock. #WhosBad

ANTI: Hand buzzer, shocking gum, shock pens, anything that goes "Bzzzt!"

2. KICK-BUTT WATER GUN

Arm yourself with a trusty wep and pack a powerful squirt gun in your bag. In case someone pranks you big time, avenge yourself by soaking the prankster until he surrenders. Don't let him get away easily!

ANTI: Guerilla pranksters

3. MILK CANDIES

Is your pal telling you that you have food stuck between your teeth then offers you a toothpick? Think twice before using it, son. Its tips could be covered with spicy stuff! Have you been played? Chew on some milk candies, stat, to counter the spicy effects.

ANTI: Spicy toothpicks

4. SUPERHERO MASK

If your pal is blabbing non-stop and his breath is starting to smell like garlic, chances are he's eating garlic candy to annoy you. Worry not, wart! Bust out your superhero mask and wear it till he's done yakking.

You won't smell his stank breath, plus you'll look super-cool.

ANTI: Garlic candy

5. TRAVEL SIZE TOILETRIES

Constant vigilance, dude! Your bro could set up pranks all over the house. If you're taking a bath, bring your own toiletries so you don't need to use the soap and shampoo, which have proly been tampered with, in the bathroom.

ANTI: Dirty soap, blood soap, mayonnaise shampoo

6. WATERPROOF T-SHIRT

The squirt ring is a classic prank tool that sprays water onto unsuspecting victims. Before shaking someone's hand, check if he's wearing a suspicious-looking "ring." But just to be on the safe side, wear a waterproof shirt made of Gore-Tex or hydrophobic fabric before you head out.

ANTI: Squirt ring, flower spray

7. ROOM SPRAY

Sniff Smell that? Lavender! When something stinks, spray the surrounding area with an aromatic room spray. You can use it, too, for when you let a real fart rip!

ANTI: Fart bombs, stink sprays

8. WET WIPES

So someone replaced the tissue roll in the toilet with a fake one. Harharhar. Good thing you keep a pack of wet wipes in your back pocket!

ANTI: Fake toilet paper

WHAT URGED YOU TO GET INTO COSPLAYING?

A friend jokingly told me, "Hey, man! You're buying all these [Star Wars] memorabilia. You should become a Stormtrooper." It just stuck with me. Then I found out that there was a SW fan club in the Philippines and I asked if I could join them. The Stormtrooper suit was my very first costume.

YOUR STORMTROOPER COSTUME IS TOTES LEGIT! HOW DID YOU BUILD IT?

You can't just buy these screen-accurate costumes. You need to have it custom-made. I bought some parts on eBay and found someone to help me make the complete armor. If you're a member of the 501st fan international organization of *Star Wars* fans that make screen-accurate costumes of SW villains, you need to adhere to certain standards, a certain look because the group is the number one cosplaying group that Lucasfilm recognizes and invites to appear at *Star Wars*-related events. My Stormtrooper costume is customized to fit my body's measurements.

WHAT DO YOU FEEL WHEN YOU'RE WEARING THE COSTUME?

I feel like an action figure.

OUT OF ALL THE STAR WARS CHARACTERS YOU COULD COSPLAY, WHY DID YOU CHOOSE TO BE A STORMTROOPER?

It wasn't a personality thing. It was more about the look of the costume. Jedi wear robes. If you're a Stormtrooper, you wear a mask; people won't know who's behind it. There's an air of mystery.

THE FIRST ORDER

REGION PHILIPPINE GARRISON MEMBER **CHRIS CANTADA**
HARDCORE STORMTROOPER COSPLAYER.

DO YOU HAVE A FAVE MOMENT AS A STORMTROOPER COSPLAYER?

I went to a *Star Wars* convention in the U.S. and there were hundreds of other Stormtroopers in attendance. It was just so surreal to see a sea of black and white.

WHEN YOU PUT ON YOUR STORMTROOPER ARMOR, DO YOU FEEL THAT YOU BECOME A DIFFERENT PERSON ALTOGETHER?

First off, it will make you look swole! You'll instantly get a swimmer's body! When kids have their pictures taken with me, I like to pretend I'm a real Stormtrooper—serious and marching in a line.

DESCRIBE THE FEELING YOU GET WHEN PEOPLE COME UP TO YOU AT EVENTS AND WANT TO HAVE THEIR PICTURES TAKEN WITH YOU.

It feels good when I suddenly see a little boy staring at me with his shocked face and it turns into a big smile. Seeing kids light up is a nice feeling.

WHAT TIPS CAN YOU GIVE KIDS WHO WANT TO TRY COSPLAYING BUT ARE AFRAID OF BEING BULLIED OR MADE FUN OF?

Right now, geeks are the new cool! Geeks are the new jocks. So if you're afraid of being bullied, don't be. Just go for it!

HOW CAN KIDS MAKE A DETAILED COSTUME OF THEIR FAVE CHARACTER?

I think the fun part about cosplay, especially as a kid, is making your own costume. Use cardboard and materials you find at home—that's how costume-makers started. We all have to start somewhere.

WHY DO YOU THINK STAR WARS HAS SUCH A UNIVERSAL APPEAL?

I think most kids are able to relate to the loner or the outcast characters in the *Star Wars* films because at the start of the movie, the characters are normal. And then suddenly, in one fell swoop, they are in the middle of a great adventure. I think kids and kids at heart will always imagine themselves as being part of a journey as epic as that!

AS A COSPLAYER, WHAT'S THE BEST THING ABOUT BEING ABLE TO CHANNEL YOUR INNER KID?

If you're really passionate about something, it'll keep you happy. That geeky side of me has always made me happy no matter what. And also, it's just SO. MUCH. FUN.

THE FORCE IS STRONG IN THESE SCENES

Chris shares his top three SW movie moments!

1. BB-8'S FIERY THUMBS UP from *The Force Awakens*

"I loved this scene. That was pretty cool."

2. OBI-WAN VS ANAKIN from *Revenge of the Sith*

"Their lightsaber battle was super-intense! That must've taken a lot of choreography and days to perfect."

3. HAN SOLO BITES THE (SPACE) DUST from *The Force Awakens*

"I knew it! But even if I knew it was coming, it was still heartbreaking."

A cartoon illustration of a landscape. In the foreground, a large, gnarled tree trunk with purple bark extends from the bottom left towards the center. The background features a range of mountains with green and blue foliage. A bright rainbow with distinct bands of red, orange, yellow, and green arches across the sky. On the right side, a brown bear is partially visible, looking towards the left. In the top right corner, a white, spotted object, possibly a cloud or a part of a character, is visible.

As much as he doesn't want to stand out in a crowd, it's kind of impossible to do so when you're 18-feet tall.

GAL WITH A GAIT

No one has a cooler sense of style than Zahara the Zebra. She's got mad steez, her coat of stripes is trending on the Internet! The primordial paparazzi always hunt her down to take photos of her #OOTD. Her long legs, majestic neck, and stallion-like stride are deffo made for the catwalk.

LIFE HACKS

SUMMER EDITION

SUMMER'S A-COMIN'
DUDES! BEAT THE HEAT WI
THESE COOL TIPS.

AFFORDABLE A/C

1. **Ice, ice, baby.** You can have a personal air-con in three easy steps: Grab a bunch of ice cubes from the freezer and dump 'em in a large mixing bowl. Switch on an electric fan and set it to stay put in front of you. Now sit in front of the fan, place the bowl of ice near your face, and wait for the cool air to blow your way.

2. **Cool spray.** Fill up a spray bottle with clean ice-cold water then spray water on your face. Grab a pocket-sized air fan, switch it on, and aim it at your face. Aaaaahhh...nice...very nice.

3. **Cold compress.** Soak a small towel in ice-cold water then squeeze out the excess water. Place the towelette on your head and wear a cap. Now sit back, relax, and chill, hot head.

COOL THREADS

1. Super-cool sandos.

Gather all your sleeveless shirts then neatly fold and put them inside a clean plastic bag. Put your bag of clothes inside the freezer. After 30 minutes, grab one *sando* and wear it. Ahhh...ain't that refreshing? Save the rest for another hot day.

2. **Ice pocket challenge.** Got a shirt with multiple pockets or a pair of cargo shorts? Put some ice cubes inside small plastic bags and distribute them to each pocket.

3. **Holey moley!** Don't throw away your shirt with holes just yet. If you're chilling at home, wear it with comfy shorts and cool kicks—boom!—Swiss cheese steez!

INSTA-SWIMMING POOL

1. Ask Mom or Dad if you can borrow a big bucket. Make sure you'll fit inside it without getting stuck and check the sides for cracks or holes. Once you have a big bucket, wear your fave swimming shorts, go out into the garden, and pick a nice, sunny spot where you can set up.

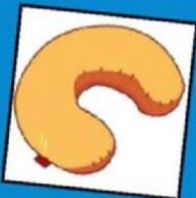

2. Grab the garden hose, fill up the bucket to the brim with water, and hop in for a solo soak! You can make an "infinity pool" by keeping the hose inside the bucket and letting the water run. #fancy

3. Want to cool down with company? Invite the squad over and ask them to bring their own buckets. Don't forget to slap on some sunscreen!

NICE ICE-ESSORIES

Pop these in the fridge then use them to beat the heat.

SPECIAL REPORT: Where are all the girl toy action figures? According to Richard Gottlieb from Global Toy Experts, *Star Wars* is widely considered as a boy's brand. "A boy will not go to a 'girl' movie and that if you put a girl in a boy's toy, boys will not buy it," he said. WUT?

We, the detectives at KZ HQ, think boys won't hesitate to buy action figure sets that include any of these amazeballs ladies. (Ever heard of completists?) Heck, everyone—girl or boy—would prolly be more convinced to buy those sets because all of the main characters are represented! Right, dudes? #Equality

HOW TO DRAW

STAR BUTTERFLY

**QUICK
DRAW**

STEP 1: STARSTRUCK

Lightly sketch Star's form using a pencil. Her head is shaped like a Jellybean, while her body looks like an upside down flashlight. Draw each of her hands and limbs using small circles and long rectangles. Sketch some curved lines for her hair. Add crosshairs on her head to mark the eyeline and center of her face. Don't forget to draw her right hand holding her wand!

STEP 3: DRESS LIKE A STAR

First, draw Star's neck and collar using half cylinders and half ovals. Draw small rectangles for her sleeves and the top half of her dress. Next, sketch a small octopus on her chest and semi-circles along the hem of her dress. Lastly, add her star-shaped sling bag.

STEP 2: 1, 2, 3, SMILE!

For Star's eyes, draw big and small circles. For her nose, draw a small upside down V. Her mouth looks like a sausage. Draw a heart on each cheek and trace over the outline of her face. Next, add details to her hair and horned headband.

STEP 4: RHINO WHAT YOU DID THERE

Draw Star's outstretched right arm with her hand holding her wand. Sketch her left arm with her hand on her waist. Next, draw her striped leggings and kooky rhino boots. Star's right foot is pointing down, while her left foot is flat on the ground. Lastly, add the eyes, teeth, and horn on each boot.

HOW TO DRAW PONY HEAD

STEP 5: HAIR WE GO!

Add some long V's around the tips of her hair to give it more detail. Finish drawing her lollipop-shaped wand on her right hand by adding wings, a crown, and a big star in the middle of the circle. Draw a smaller star inside the big star and put small hearts around the big star. Finally, add concentric lines around the big star.

STEP 6: MAKE WAY FOR THE PRINCESS

Trace over all your pencil marks using a pen. Once the ink has dried completely, erase all your pencil marks and add color. Star's skin is beige. Her hair and bag are yellow, while her headband is fuschia. Color her dress mint green and her boots maroon. Star's leggings are orange and pink stripes. Use different shades of color to add depth to your art. Done? Off you go, Star! Spread hugs and loves!

WHO SHOULD WE DRAW NEXT?

SUBJECT: QUICK DRAW

STEP 1: PONY UP

Pony Head's, er, head is shaped like a light bulb, while her neck looks like a cylinder. Draw her mane and horn using triangles. Her ears look like leaves. Add crosshairs on her head to mark the eyeline and center of her face.

STEP 4: MANE ASSET

Pony Head's mane looks like flames. Add a heart on her neck just below her cheek.

STEP 2: EYE SEE YOU!

STEPS 5&6: HORSEING AROUND

Trace over all your pencil marks using a pen. After the ink has dried completely, erase all your pencil marks and add color. PH's skin and horn are blue-green. Her mane and heart tattoo are pink, while the stars in her eyes are yellow. Wazzup, Pony?

STEP 3: TEENY WHINNY MOUTH

DID YOU KNOW?

James Arnold Taylor, Ratchet's voice actor, is also the voice behind Obi-Wan Kenobi in Star Wars: Clone Wars.

The wrench-wielding Lombax and his wise-crackin' robot pal, Clank, are back in this rad remake of the insanely fun PS2 classic!

SPACE SAVERS

The galaxy will be safe when these two bros collide!

Our heroic tale of galactic proportions starts with humanoid cat-badger protagonist Ratchet as he builds a ship in order to leave the planet Veldin and explore the galaxy. Meanwhile, XJ-0461, a supposedly defective Sentry-bot, accidentally discovers Chairman Drek's nefarious plot to take over the world and make it the new home of the Blarg race. XJ-0461 is caught and held as a witness but he escapes and crashes on Veldin, where he meets Ratchet. Ratchet names the little robot Clank and the two set off on a quest to enlist Captain Qwark and the Galactic Rangers so they can put an end to Drek's evil scheme!

GALACTIC RANGER

Get your controllers ready for one awesome, outta-this-world adventure!

Ratchet & Clank is all about platforming across massive and colorful alien worlds while battling enemies using an array of cartoonishly weird weaponry. Run, jump, grapple, slide, shoot, and wallop your way through Chairman Drek's forces in order to save the galaxy!

ARE YOU RATCHET OR CLANK?

Take this quick quiz to find out.

1. Which would you rather be?

- A. A master inventor who can build ships and pilot all types of vehicles
- B. A giant mech that can shoot rockets and energy bombs

2. You're off to go on a space adventure. What's your galactic setup?

- A. A heavy-duty armor that's ready for battle
- B. A swaggy tux, of course!

3. What's inside your backpack?

- A. A wrench, natch
- B. A jetpack

DID YOU KNOW?

Clank once worked as a spy for the Agency, a secret corp that fights villains. He was called Secret Agent Clank. Duh.

If you picked mostly A's, then you're like the snarky Lombax **Ratchet**. If you picked mostly B's, you're more like chill spy 'bot **Clank**.

SFV staff Yoshinori Ono and Tomoaki Ayano (as Chun-li) showed an exclusive SFV video to the fans. LOL!

Famous cosplayer Myrtle Sarrosa as Cammy!

INSIDE SCOOP

Street Fighter V assistant producer Tomoaki Ayano talked about his fave power, the possibility of creating a *Pinoy SF* character, and skills a gamer needs to master in order to come out on top. Listen and listen well, KZers!

If you could have any *Street Fighter* character's powers for a day, whose would it be?

I would get Dhalsim's super-stretchy abilities. Plus he can float in the air every time he uses his V-skill.

Would you consider creating a Filipino character for future *SF* games?

If there were enough enthusiastic fans in the Philippines demanding for it, we might create a Filipino character one day. The Philippines is famous for the martial art Eskrima, and it would be interesting to see how a character with that skill would fare against other fighters in the game who are capable of unleashing fire or electric attacks.

Can you give KZ readers a top tip when playing *Street Fighter V*?

My advice is to master the V-system (special character abilities) and use it effectively in battle. This system was not available in *SFIV*. Those who can quickly master the V-system will certainly have greater chances of victory.

BUTTON-MASH MASTER

Singaporean pro player and international vgamings star Xian has made a career out of virtual brawling. #LifePeg

What were the first vgames that you played?

I used to play *Street Fighter EX2* and *Marvel Super Heroes Vs. Street Fighter* at the arcade. Among the Marvel fighters, Magneto was my fave.

Which is the perfect *SFV* character for a first-time player?

Ryu is the easiest character to control. You can switch to another character if you want to master more complicated moves.

Who's your fave *SFV* character?

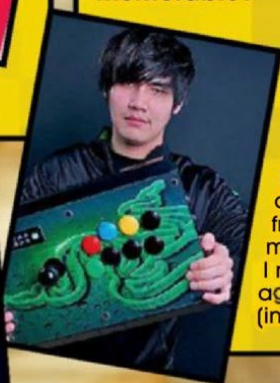

Either Nash or Fang. I haven't played as Fang though. As for Nash, I like his speed. I enjoy playing characters that move quickly.

If you could create your own *SF* character, what would he be like?

I want to create a Singaporean fighter. Maybe he'd be a lion!

You've competed in many e-sports matches. Which one is the most memorable?

Probably the (Evolution) 2013 Championship Series (where I won a) match against (Hori) Sako. I respect him as a master gamer and I learned a lot from him. I actually mimic his fighting style. I really enjoyed playing against him on a grand (international) stage.
